

Najpierw logujecie się normalnie na swoje konto GitHub, następnie klikacie na ikonkę awatara, z menu wybieracie pozycję „Organizations”

The screenshot shows the GitHub dashboard interface. In the top right corner, the user's profile icon is highlighted with a red square. A red arrow labeled '2' points from this icon to the 'Organizations' option in the user profile dropdown menu. The dashboard includes a search bar, a 'Home' section with an AI chat interface, a 'Feed' of trending repositories, and a 'Latest from our changelog' section. The user profile menu on the right lists options such as 'Set status', 'Profile', 'Repositories', 'Stars', 'Gists', 'Organizations', 'Enterprises', 'Sponsors', 'Settings', 'Copilot settings', 'Feature preview', 'Appearance', 'Accessibility', 'Try Enterprise', and 'Sign out'.

I tutaj się pojawiają „podorganizacje”, trzeba ręcznie kliknąć accept. Jeżeli zaproszenie już wygasło (bo tak mogło być), podejrzewam, że trzeba jeszcze raz wejść w link do działania, następnie powtórzyć operacje przez stronę GitHuba.

The screenshot shows the GitHub 'Settings' page for the user 'miaskowskib'. The left sidebar contains various settings categories: Public profile, Account, Appearance, Accessibility, Notifications, Access (Billing and licensing, Emails, Password and authentication, Sessions, SSH and GPG keys), Organizations (highlighted), Enterprises, Moderation, Code, planning, and automation (Repositories, Codespaces, Models, Packages, Copilot, Pages, Saved replies), Security (Code security), Integrations (Applications, Scheduled reminders), Archives (Security log, Sponsorship log), and Developer settings.

The main content area is titled 'Organizations' and features a 'New organization' button. Below this, there is a table of organizations with the following entries:

Organization Name	Invitation Status	Action
test-miaskowskib	Invitation expires in 7 days	Accept, Decline
task000-testassgiment-miaskowskib	Invitation expires in 7 days	Accept, Decline
task001-introduction-miaskowskib	Invitation expires in 7 days	Accept, Decline
task006-parallelintegral-miaskowskib	Invitation expires in 7 days	Accept, Decline
zsl-adwim	Outside collaborator on 2 repositories	Leave

The 'Accept' buttons for the first four organizations are highlighted with a red box, and a red arrow points to the 'Accept' button for 'task006-parallelintegral-miaskowskib'. Below the table, there is a section titled 'Move to an organization' with a 'Move work to an organization' button. A note states: 'Your personal account cannot be converted to an organization. You must create a new organization and transfer your repositories and projects to it instead. You can then rename your personal account and the organization if you want your organization to have the same name that you are currently using for your personal account.'
